Acknowledgements

- A small vote of thanks for all who have helped me in this journey of App Development –Mr Ken, Clevered, Mentors.

About Myself

- My name is Devansh Parmar.
- I Study in Grade 3 Sunrise International School Abu Dhabi.
- I am 9 years old.

About My Internship with Clevered..

- My internship turned out to be very good. I was able to use different blocks like Image recognition, Speech Recognition and Speech Synthesis.
- Badges Earned

About My App

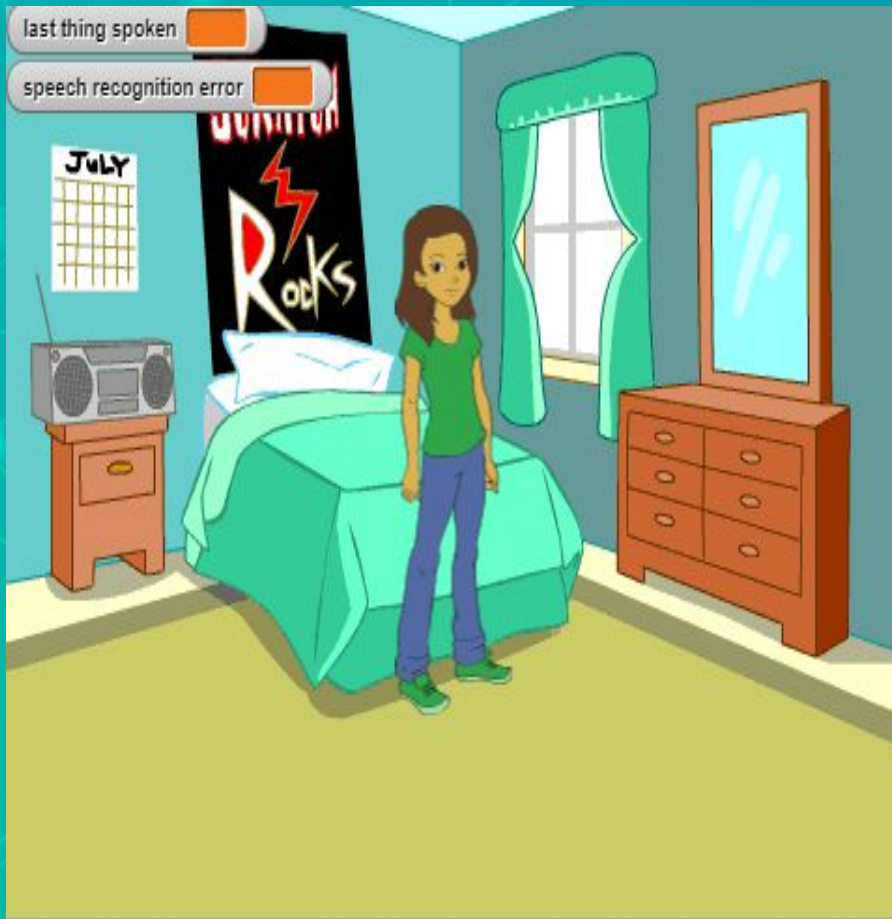

- No main menu is for the app.
- This app is basically
A game in which you have to give instructions to the character in the game to find its way out of the abandoned house.

How do I use the App?

How to Answer The Question

(This will be repeated for each Question of the App)

- Speak clearly
- Sometimes you need to repeat 3 or 4 times.
- App may sometimes not respond so please wait 2-3 seconds.

Contact Person

- Please reach out to Devansh Parmar at devansh.devam1418@gmail.com for any questions/ concerns/ suggestions on the App.

Thank you!
